To All "Baby Gym" Parents:

Thank you for your participation in "Free Baby Gym" .

This program is offered for children 6 months to 17 months, to introduce your child to movement and interaction with other children and adults. We hope this experience has been developmental and positive for both you and your child.

It is our sincere hope that you will keep bringing your child to our program and that your child will continue to benefit from the many assets of gymnastics and our outstanding pre school staff.

Upon reaching your child's 18 month birthday, we ask that you move your child to one of our Kittens classes. We offer Kittens at the exact same time as Baby gym so that it will continue to fit into your schedule.

As an added enticement to signing up for Kittens, we will give all Baby gym graduates a \$10 discount off the first enrollment in Kittens.

Thank you in advance for your cooperation.

Sincerely yours,

*Stacy A. Carrero, Owner/Director
